

Some of you may have noticed the addition to my last name. I previously shared my intention to start formally using Romero in addition to Atkins with vestry and ministry heads. The reason behind this addition after 18 years of marriage and raising children with the love of my life Mr. Elmer Romero are multiple and personal. One of those reasons was to honor the wish of my mother-in-law who passed away suddenly this year. This time after the pilgrimage to Rome for the Canonization of Archbishop Romero and with the announcement of my candidacy for Bishop Suffragan of the Diocese of Texas seemed a natural time. Now, when we sign our family cards Romero Crew, I will have the name to match. Thank you for all the support!
