Gifts that Matter

If you are looking for a unique Christmas gift for someone special this year, but you don't want to just buy more "stuff", we have an opportunity for you to honor that special person and to honor and help Trinity at the same time! Our clergy and staff have put together a wish list of items that will help Trinity and its ministries. This alternative gift catalog includes several items that you can purchase in part or in whole. If you wish to make this a gift for someone special, we will provide a special Future with Hope gift card that you may complete and send to your gift recipient. Or you can just buy a gift for Trinity, and we will send you the thank you card!
