Rector's Report

The Reverend Hannah E. Atkins Romero

"He has told you, O mortal, what is good,
and what does the Lord require of you
but to do justice and to love kindness
and to walk humbly with your God"
Micah 6:8 NRSV
"Blessed are the merciful, for they will receive mercy".
Matthew 5:7 NRSV

In a recent sermon, The Rt. Rev. Mariann Budee made a respectful plea for mercy. Mercy and kindness are foundational Christian tenets, her reminder received a stunning reply from across all spectrums of society. Some non-religious folks were reminded that Christians cared about mercy. Some religious folks thought she was being political; even more were moved by her integrity. Her exact quote was,

> In the name of our God, I ask you to have mercy upon the people in our country who are scared now. There are transgender children in Republican, Democrat, and Independent families who fear for their lives. And the people who pick our crops and clean our office buildings; Who labor in our poultry farms and meat packing plants; Who wash the dishes after we eat in restaurants and work the night shift and hospitals — they may not be citizens or have the proper documentation, but the vast majority of immigrants are not criminals. They pay taxes and are good neighbors. They are faithful members of our churches, mosques and synagogues, gurdwara, and temples. Have mercy, Mr. President, and those in our communities those children fear that their parents will be taken away. Help those who are fleeing war zones and persecuted in their own lands to find compassion and welcome here. Our God teaches us that we are to be merciful to the stranger, for we were once strangers in this land. May God grant us all the strength and courage to honor the dignity of every human being, speak the truth and love, and walk humbly with one another and our God, for the good of all the people of this nation and world.

I quoted her at length because, frankly, I wanted it to be on record that this was not some outrageous rant but a simple, humble plea for mercy. I believe it is in this vein of kindness, humility, and mercy that our congregation has journeyed together this year. I am grateful for you all.

In 2024, we returned to full capacity and more of all of our pre-COVID ministries. This has been a wonder and a strain, as we do not have the same amount of volunteers that we used to, so we need to make careful decisions about sustainability and care of our volunteers. For this reason, we continued with the newer practice of going to one combined service in the summer. A practice that allows our Liturgical Ministry Heads some breathing room, and is a nod to the lower attendance in worship during that hot month in Houston! We rejoiced to bring back the 20th Trinity Jazz Fest in July of 2024- with the extra challenge of dealing with Hurricane Beryl that very same week. Thank you to co-chairs Michele White, Ann McCoy, and all the volunteers. We will host the 21st Trinity

JazzFest early in 2026. Please read all the reports from our wonderful ministry heads for all the life-changing gospel ministries we offer here at our beloved church.

Two new programs we successfully engaged in were Consecration Sunday and the Asset Mapping Event with Partners for Sacred Spaces. With a fabulous Consecration Sunday team under the direction of Madeline Mauk, we expanded our expertise in Stewardship and formed a wonderful group of leaders in this ministry that has lagged for a couple of years. They fulfilled all the program components joyfully. We will continue to try to change the 135-year habit of getting pledges in late, trusting in prayer and God's providence to help us build generosity as a spiritual gift in our community. Partners for Sacred Places helped the organizing and Advisors teams to reconnect with the wider community and host a very productive Asset Mapping Event in December. My presentation at the Annual Meeting will focus on their report back to us.

Various important staff transitions occurred this year that we need to acknowledge. Our Associate Rector, The Rev. Luz Cabrera Montes became a Canon at Christ Church Cathedral, leaving us in February. In July, we welcomed our Curate, The Rev. Maria Teresa Bautista-Berrios. Our long-time employee, Sam Jones, took a well-deserved retirement. Lauren Santerre took a full-time position at Like Minds Communications. John Merullo stepped in to take over some of her duties on a very part-time basis. Our wonderful Priest Associate, The Rev. Dale Klitzke, stayed with our congregation but retired from liturgical ministry. Our part-time Organist/Choirmaster Alex Jones earned his Doctorate and is now full-time on staff as our Organist/Choirmaster and Music Missioner. He is now Dr. Alex Jones, for which we congratulate him!

I want to offer my gratitude and deep respect to our wonderful Senior Warden, Andy Durham, who has served for three years as a trusted confidant, sibling in faith, and colleague in ministry. I am so thankful to him for his willingness to continue to serve. Wholeheartedly, I want to thank the outgoing vestry members: Pam Lawson, Mary Matteucci, John Merullo, and Eric Beam. Ben Blanding was appointed to fulfill the term of our beloved vestry member Brent Chambers, who tragically died due to aggressive cancer earlier this year. Eric Beam will run again and has agreed to continue to serve as Junior Warden if elected.

Heartfelt thanks to the other dedicated members of the vestry as well: Larry Laubach, Treasurer; Steve Lee, Assistant Treasurer; Teddy Adams, Chancellor; Dana Gannon, Assistant Chancellor; Samantha Rainman, Assistant Clerk; Gladys Vallés, and David Villarreal. Welcome to our three new vestry members: Lovette Brown, Patrick Humphreys, and Elisabeth Tsubai. I look forward to a fruitful three years together on the vestry team. Last but not least, I want to thank the dedicated clergy and staff: Ryan Mire, Pat Laubach, Alex Jones, April Sloane Hubert, Pelayo Parlade, Van Bryan, John Merullo, Ken Jones, Carol Turley, Rosa Gutierrez, Erika Zavala, Daisy Jimenez, Lily Bautista Vargas, Yatziry Reyes, Norma Portillo, Mina Mobarakeh, and Kelly Mercer.

My prayer for us is that we will continue to embody mercy and walk humbly with our God in 2025 and beyond!

Grace and peace,

The Rev. Hannah E. Atkins Romero, Rector

Curate's Report

The Rev. Maria Teresa Bautista-Berrios

Dear Trinity Family,

What a blessing this journey has been! Since arriving as your curate in July after my ordination as a deacon, I've been overwhelmed by the loving welcome you've shown me, Fabian, and our little Camila. It's been pure joy watching Camila grow from wobbly walking at 14 months to practically running around at 20 months - and being baptized right here in this beautiful community- I hope you all know what a gift Trinity is to our family.

My Trinity story started with quite a bang - Hurricane Beryl and the Jazz Festival in July! Through the storm cleanup and those exhilarating three days of jazz, fellowship, and amazing food, y'all showed me exactly who Trinity is: a community that proclaims the Gospel through solidarity, arts, social advocacy, and yes - plenty of fun! Thanks be to God I landed right here.

September kicked off with our Aloha Sunday, showcasing all the incredible ministries that make Trinity special. Our children's and youth ministries are absolutely thriving! Ms. Erika and Ms. Norma are working wonders with our 3-8 year olds in the Catechesis of the Good Shepherd, with fantastic support from Ms. Mina. Our littlest ones are in loving hands with Ms. Lily and Ms. Yatziry, while Fabian and I are having a blast teaching our tweens. Mr. George and Ms. Shelby are knocking it out of the park with our youth - from deep discussions to pool parties, museum trips, bowling, and ice skating!

Talk about making a difference - our two blood drives in September and January brought in 21 donors, provided over 25 units of blood, and saved more than 50 lives. YAY TRINITY!! We've celebrated so many special moments together - from the spectacular animal blessing (which brought me my pup Danny!) to our moving post-election hymn sing in November, where we reminded each other of God's faithfulness in uncertain times. The LOTS Thanksgiving service was a beautiful success, and Consecration Sunday reminded us of the power of stewardship.

December was just overflowing with JOY! From advent wreath-making to our first posada at my house, from the EYC Christmas party to caroling for our homebound friends - every moment has been precious. Our monthly yoga with Saba and women's circle with Sarah Flick have created wonderful spaces for connection and reflection.

I've been blessed to serve beyond our walls, strengthening partnerships with HCC and Harris Health, preaching at the National Cathedral for a friend's ordination, serving as Deacon at the Daughters of the King retreat, and joining both the diocesan council liturgical planning team and clergy conference planning team. Our weekly online healing services and Spanish Facebook live compline continue to reach those seeking spiritual connection.

As I prepare for my priestly ordination, my heart is full of gratitude for my Diocesan Curate Cohort at Camp Allen and my dedicated committee of Trinitarians for my Curate Committee and all of you who have been a gift in this journey. I'm excited for what's ahead - more blood drives, more community engagement, more family activities, more pastoral care opportunities, more music and arts, more preaching and outreach.

It's been a blessing of a lifetime to be here with you.

Faithfully,

The Rev. Maria Teresa Bautista-Berrios

Senior Warden's Report

Andy Durham

Dear Trinity family,

It is my pleasure to again present my Annual Report to you. Our Trinity Community continues to thrive and increase from the COVID decline. In 2024 we have experienced membership increases, attendance increases, and ministry increases. Trinity continues to be present for our Trinity community sharing both the good and the negative. The Trinity Community continues its mission to be a presence by sharing Christ's life changing love. It is true what I have heard from several, that Trinity's outreach and ministries are so impressive for a church and staff this size. It is due to the hard work of our Rector, Staff and the multitude of volunteers.

In 2024 we have dealt with many challenges as a community. Our Rector, Hannah Atkins Romero, has lead us and inspired us to increase ministries including the return of the Jazz Festival and Mass and partnering with St. John's for the Festival. We have meet the usual challenges of Houston hurricanes, street flooding, street construction and this year a derecho of which I had not even heard of before. Our Rector with the staff led us in our response as a community even when we were short staffed when our Assistance Priest was called to serve and before we were blessed with our present Curate, Maria Teresa Bautista-Berrios.

In 2024 we have continued our discernment process of the vision and future of Trinity. We have worked with Partners for Sacred Places with community input to move toward the best utilization of our property in furtherance of Trinity's mission. The Vestry has worked to maintain Trinity and its beautiful historic building and its mission with a conservative budget and the continuing support of the Trinity Church Endowment Board.

As always Trinity will face challenges next year including completing our work with Partners for Sacred Places and determining how to utilize and implement their suggestions and the expected construction of the parking lot and its impact on parking and access. Regardless of the challenges I am confident that the Trinity Community will continue to be welcoming and respectful to all who come to our community.

I look forward to continuing to serve as the Sr. Warden next year when we work together with love and respect to face these and our unknown challenges next year. As always, if you have a concern please bring it to the attention of the Rector, Staff or Vestry where your concerns may be addressed.

Peace to all,

Andy Durham

Junior Warden's Report

Eric Beam

Dear Friends,
As we look back on the year, we're excited to share the progress we've made in caring for our church property. It's been a busy year, with plenty of challenges, but also significant achievements. We began the year by upgrading our HVAC controls and software. The new system is open and flexible, allowing us to work with whichever vendors best meet our needs in the future. This upgrade is a big step forward in ensuring the reliability of our heating and cooling systems.

We also renewed the contract for maintaining our automated external defibrillator (AED), located in the alcove near the fellowship hall and stage. This life-saving device provides automated voice instructions, so there's no need for special training—don't hesitate to use it if the need arises.
A persistent leak in the fellowship hall storage area kept us busy for much of the year. After a lot of investigation, we discovered the culprit was a clogged gutter. Additionally, the May derecho and Hurricane Beryl in July caused roof and bell tower issues. Thankfully, a group of parishioners, staff, and clergy came together before the hurricane to protect delicate items in the sanctuary, avoiding significant damage. Repairs to the bell tower are now complete, making it safer and more weatherproof.

Thanks to a generous donation, we were able to renovate the Smith Room. The updates include beautiful new artwork and a state-of-the-art video conferencing system, making the space more functional and welcoming.

The City of Houston replaced major watermains on Fannin and Holman Streets this year. Since our accessible parking spaces are on Holman, we worked closely with the city to ensure those spaces remained accessible throughout the project.

In terms of our grounds, we hired a new landscaping firm, which has made a noticeable difference in the appearance of the property and improved the maintenance of our sprinkler system.
Looking ahead, the condition of the Holman Street parking lot remains a concern. It's in rough shape, and while the lessee is responsible for its maintenance, we've been in ongoing discussions with them. We're hopeful the necessary repairs will be completed in the first half of 2025.
We're also continuing to work on our HVAC system. While the air handling equipment in the basement and the controls have been upgraded, the chilling unit on the roof and the boiler in the basement still need attention. We're exploring options to modernize these components to make them more reliable and climate friendly.

This has been a year of problem-solving, teamwork, and blessings. From unexpected leaks to exciting renovations, we've made great strides together. Thank you for your prayers, support, and patience as we continue the important work of caring for our church home.
With gratitude,

Eric Beam

Music at Trinity

Dr. Alex Jones, Organist/Choirmaster

2024 has been a wonderful, busy year for me and the Trinity Choir! We have all accomplished a great deal together and I have some significant highlights to share with you all! Firstly, our Easter Sunday service was very well-received and featured some spectacular playing by our guest Brass Ensemble made up of students from the University of Houston. We look forward to hosting them again for Easter this year along with other guest instrumentalists who will be contributing to our special Holy Week liturgies in 2025.

In May, we hosted the Houston Chapter of the American Guild of Organists and brought together a large group of singers and choral conductors from across the city for a masterclass on conducting techniques and Gabriel Fauré's *Requiem* which was led expertly by Dr. Betsy Weber. The event was attended by around 30 people and was convivial, informative and inspiring. I was happy to serve as organist for this exciting event!

Regarding the Fauré Requiem, our most significant achievement this year was our celebrated performance of this timeless masterpiece which we gave on All Saints Day. For this event, we were most fortunate to have Bryan Anderson at the organ and one of our very own Staff Sopranos, Molly Wise, playing the violin for the 'Sanctus' movement. For this performance, the choir was further bolstered with additional singers from Rice University who generously gave of their time and talents

to help make this a truly memorable occasion. The inclusion of these guest musicians demonstrates our commitment to engaging with the local community in a broad reaching way and has helped re-establish Trinity as a centre of musical and artistic excellence. Performing the Fauré *Requiem* is now something I have had the pleasure of doing both as an organist and as a conductor, and since this piece is seen as a great rite of passage for any church musician, this accomplishment fills me with immense gratitude. The fact that we were able to present it in its original liturgical context made the occasion doubly meaningful.

We also hosted the 65th Annual Diocese of Texas Choral Festival which took the form of a festival Choral Evensong at Trinity. The large choir was conducted by Garmon Ashby, and I was honoured to serve as Principal Organist for this grand occasion, which was well-received by the large congregation that was in attendance. Again, this event serves as an indicator of how far Trinity Parish has come in the years following the pandemic in terms of its musical output.

Finally, our Christmas services were another highlight. The choir sang magnificently for our traditional service of Lessons & Carols on Advent III and for two services on Christmas Eve which featured a mixture of seasonal carols and special anthems. This is always a special time of year at Trinity, and we are always so grateful to be able to enhance the liturgy with reflective, beautiful music that celebrates one of the most important festivals in the church calendar.

In the upcoming year, we look forward to offering our special Holy Week services with appropriate music that helps convey the wonder and glory of the Easter season. On June 15th, we will be offering a celebratory Festival Choral Evensong with a performance of a specially commissioned set of Preces & Responses, composed for and dedicated to the Trinity Choir by our very own Paul Mortilla! This is another great way that the music program continues to engage with the local Houston Arts community and continues to set standards of excellence in its activities.

On a personal note, from me, in case some of you were not aware, I am proud and delighted to announce that in December, I graduated with my Doctor of Musical Arts degree from the University of Houston and got engaged to my beloved girlfriend, Savannah! We are due to be married later this year, and we couldn't be happier! As always, I am truly grateful for all your support and encouragement as the choir and wider music program go from strength to strength. 2025 is going to be a very exciting year! With love and thanks to you all –

SOLI DEO GLORIA.

Lord of the Streets Services

Elisabeth (Libby) Tsubai

Trinity has long been a supporter and partner of Lord of the Streets ('LOTS' ,(a Mission Church of the Episcopal Diocese of Texas and 501(c)3 organization that serves the homeless and disadvantaged. Lord of the Streets is located directly adjacent to Trinity at 3301 Fannin. Through its staff, volunteers, and partners LOTS provides meals, clothing/hygiene essentials, health and vision care, social service referrals, an address for mail receipt, help with housing, showers, worship services and pastoral care. In April 2023 (after a three-year hiatus due to the pandemic), Trinity once again began providing Sunday worship and dining space for the LOTS community. Each week approximately 125 people attend the 7 a.m. service led by The Reverend Bradley Sullivan, Vicar for Lord of the Streets. Worship is followed by an abundant hot breakfast, prepared in the Trinity kitchen and served in Fellowship Hall. Teams from supporting congregations across the Diocese, including Trinity, assist with welcome and worship, cooking, serving, and cleanup.

Trinity Midtown LOTS Cook Team

In 1990, Trinity established Lord of the Streets within the Diocese of Texas as a ministry dedicated to homeless Houstonians. In 1993, the Episcopal Diocese of Texas adopted Lord of the Streets as a separate "evangelistic mission" charged with addressing the holistic needs of homeless Houstonians.

Since Lord of the Streets' inception, a hot breakfast (originally) cooked and served by Trinity parishioners has been a hallmark of its Sunday service. Trinity continues to host Sunday services including breakfasts for Lord of the Streets, however, now, we share the cooking and serving responsibilities with local congregations and civic-minded organizations.

In 2023, after a pandemic-imposed hiatus, Trinity resumed hosting Lord of the Streets' Sunday services and hot breakfasts. Our cook team prepared breakfast three Sundays in 2023 and we're scheduled to serve breakfast three Sundays in 2024 (they are, March 10th, July 7th, and November 10th).

We're always looking to grow our cook team and if you're interested in joining us, contact Ann McCoy at ann.mccoy@att.net .

Acolyte Ministry

Mary Cloud

We're thankful for the faithfulness of our youth as well as adult acolytes who have served at the 10:30 a.m. worship service. The ministry has grown during this past year, enabling more of our youth to train and serve at the altar, assisting the priests at communion as well as serving the congregation.

Youth acolytes are Leila Blanding, Gentry Chambers, Landry Chambers, Sawyer Chambers, Caydon Heckert, Helen Hensman, Zuzu Hopson, Ophelia Humphreys, Addilyn Lomasang, and Kaydence Lomasang.

Leila Blanding has served as crucifer at special services during the past year.

Special thanks goes to the adult team, who not only serve on the third Sunday of the month, but also provide faithful leadership and presence to the ministry as well as a willingness to serve whenever needed: Mark Goza, Adilson Pinto, Joanne Starbuck, David Villareal, and Mary Cloud.

Special recognition goes to David Villareal for his training of new acolytes and contributions to the ministry.

We're also thankful for the service of former acolytes Alex Sennewald, James Sennewald and Byron Walton their presence and leadership at the 10:30 p.m. Christmas Eve service when they returned home for a visit from college.

As we continue to build the ministry, we welcome new acolytes. If your child is interested in joining the youth acolyte ministry, please contact Mary Cloud.

Altar Guild Ministry

Mark Goza and Joanne Starbuck

In the early days of the church, followers of Christ gathered in private homes to break bread together and share their memories of him. As Christians multiplied and needed larger buildings in which to meet, certain people were given the task of caring for these places and for hundreds of years thereafter, were responsible for everything that is now considered "altar guild work."

As is the case at Trinity, altar guilds today are groups of men and women who are called to serve God by preparing and tending the space in which we worship. 2024 Altar Guild members are Shelby Bradley, Alex Bruton, Linda Davenport, Mark Goza, Catherine Guthrie, Ron Mailloux, Madeline Mauk, Samantha Rainman, Jeanne Sommerfeld, Joanne Starbuck, Amanda Talaat and David Villareal.

Each Altar Guild member is part of a team which has responsibility one Sunday each month. Trinity's Altar Guild is responsible for preparing for all Sunday and Wenesday Eucharistic services, as well as baptisms, confirmations, weddings, funerals and memorial services. The Altar Guild also prepares the Church and Morrow Chapel for Advent, Christmas, Epiphany, Lent, Holy Week, Easter and Pentecost. There are also various workdays throughout the year, which are usually before Advent, Palm Sunday, Easter and Christmas.

Linda Davenport prepares the Eucharist for the Lord of the Streets 7 AM service, as well as for the 8 AM and 12:30 Jazz Eucharist services. Yvonne Myers assists with cleaning up after the 12:30 Jazz service

If you feel called to serve on this important and fulfilling ministry, please contact Mark Goza at markgoza@gmail.com or Joanne Starbuck at jtstarbuck@sbcglobal.net. One-on-one training and a step-by-step instruction manual (with pictures) are provided!

Emergency Aid Coalition

Mary Johns

Trinity has continued our community partnership with Emergency Aid Coalition (EAC) in 2024, via volunteers, gifts-in-kind, and direct donations. Week-by-week our congregation supported EAC by donating non-perishable food for EAC's neighborhood food pantry. Trinity's Lenten coffee-hour project assembled about 100 hygiene bags for EAC to distribute to the homeless and clothing center clients. In the fall of 2024, EAC expanded their food pantry to a second location in Sunny-side, specifically to serve new low-income housing in one of Houston's food deserts. They also ex-panded their health clinic, shower ministry, and free haircut offerings. In 2025, Trinity's goal is to revitalize our weekly Sunday food collection at all of our Sunday services, as a regular part of our Sunday offering. Let's support the EAC's mission to give our neighbors a helping hand when they need it most.

Evening Prayer Ministries
Christian Bearup

In partnership with the Sandwich Makers, Trinity's Evening Prayer Ministry has persisted in its vocation to be the hands, feet, and voice of Christ to Houston's homeless.

Each night, Monday-Friday at 5:30 PM, volunteers in this ministry offer our homeless neighbors liturgy, the word of God, and a sack dinner, nourishment for body and soul. As word has spread, our evening attendance has swelled to between 35-50 worshippers on a given night. There is rarely leftover food.

Our ministry's most pressing need in 2024 was material. On a handful of occasions, our volunteers were at risk of having no food to give due to a sudden increase in weekday attendance. Thanks to the determination of Pat Laubach, Donald Hackler, and Mary Johns, as well as the faithful labors of this congregation across coffee hours and midweek sessions, this concern has largely been mitigated; for this, we are grateful.

Recently, our ministry said goodbye to Officer Johnny, our daily EP officer and a beloved figure in the local community. While we are happy to see her at occasional Sunday services, her absence is felt deeply, both by volunteers and homeless neighbors who love her for her candor, affection, and genuine investment in their wellbeing. We remain in search of a replacement.

Thanks is owed to our team of officiants and greeters for their faithful service–David Theis, Jason Hruska, Samantha Rainman, Patty Rohs, Ron Mailloux, Harold Robertson, John Merullo, Bob and Linda Davenport, Gladys Vallés, and Mary Ann Collier–and to Ryan Mire for his dedication to ensuring volunteers' safety and the sanctity of our worship space.

If you are interested in supporting this work, please consider:

- **Joining the Evening Prayer team** on a once-a-week basis. While our team is dedicated, it is small, meaning that occasional calls out means cancelling the liturgy and prayers. Expanding this team would mean our homeless volunteers could more confidently count on daily services. Volunteers arrive at the church at about 4:50 and stay until about 6PM.
- **Joining the Sandwich Makers Ministry**, either on the first Tuesday of each month or on Sundays during coffee hour (or, should God lead you, both!). This ministry ensures that we can provide nourishment to our homeless neighbors and, perhaps, increase our offering in the near future.

If you are interested in supporting us in these ways, or in another not listed, please contact Christian Bearup at christian.bearup@gmail.com.

Hospitality Apartments
Joanne Starbuck

Hospitality Apartments provide free temporary housing (from two weeks up to three months) and a safe, welcome, comfortable and supportive environment for families in need who live more than fifty miles away from the Texas Medical Center who are receiving medical treatment at any of the medical care facilities in the Texas Medical Center area.

A Communion and prayer service is offered each Sunday in the Community Room for residents and their caretakers. Alex Bruton, Mary Cloud and Joanne serve as Trinity's Lay Eucharistic Ministers. Trinity's partners in this enriching and rewarding ministry are St. John the Divine and St. Mark's.

Prayer Ministry

Norma Cooper

The Trinity Prayer Ministry is dedicated to praying for the well-being of our congregation and others in the community. Ephesians 6:18 reminds us that we are called to *"pray in the Spirit on all occasions with all kinds of prayers and requests."* Prayer is a vital connection to God allowing us to bring every situation before Him.

Prayer requests are accepted by email, phone call, and text. Our prayer ministry provides deep comfort to those facing difficult times. Confidentiality is the utmost sacred trust of the ministry. A simple request for others to join you in prayer can enhance the power of those prayers.
Prayer is a profound privilege and an essential expression of our relationship with God.

If you would like to be part of this ministry or have prayer requests please contact :

Norma Cooper at normajcoop@aol.com or 281-435-5978.

Taste of Trinity

John Merullo and George Zemanek

Taste of Trinity entered its third year as a meal group to bring Trinitarians together. Friendships are formed and strengthened as we enjoy fun and fellowship over a meal.

We have both dinner and brunch groups, which meet monthly. Group members take turns hosting the meal at a location of their choice, most often at their home. Participants are not required to host. Typically, the host will provide the main course and the others bring appetizers, side dishes, desserts, etc. If preferred, the host may choose to meet at a restaurant. The host then buys an appetizer for the table and each participant buys their own meal.

All groups meet together at the church three times during the year. Our kickoff dinner is usually held in September. We meet together again for brunch in January. We end with dinner at the church in June to plan for the next year. We break for July and August.

Trinity Animal Blessing

Shelby Ann Bradley

On Sunday, October 6, at 4 P.M. Trinity's Blessing of the Animals began with prayer and a feeling of joy on the Francis Street lawn. This popular event has increased in attendance since COVID has ceased to ravage our parish family. Parish Staff Members joined volunteers and Clergy in that ensuring food, and needed equipment were available for use.

Alex Jones represented Saint Frances of Assisi, and Danny Romero brought Uni to life.
Raffles were popular and appreciated by everyone. Once again Villa Farms Petting Zoo arrived with its adorable animals that were photographed, cuddled, and provided opportunities for laughter.

A mini dog challenge was an added activity and some dogs willingly completed the path.
Friends for Life Animal Shelter was able to send three staff members to meet our parishioners. They brought a dog named Sam who charmed everyone and was a perfect ambassador for the shelter. He didn't find a "forever" home with us, but I later learned that he has been adopted.

One of our longtime raffle donors, Adventures in Birds, is retiring in 2025
Tetra Tech donated a large amount of food and additional pet items to Friends for Life on our behalf through our own Madeline Mauk.

Chris and Catherine Reed were instrumental in construction for the dog challenge cones.
Altar flowers, by Darlene 's Flower & Gift Shop, and Jimmy Rosado of Dogtopia helped make this a very special day for everyone. Mark your calendar for October 5, 2025 (4P.M.-6P.M.) for fun and fellowship at Trinity.

The Trinity Garden Club

Sylvia Drew

The Trinity Garden Club is a long lived, stained ministry at Trinity, the stewards of Trinity's six gardens for over 50 years. Garden Club meets first Fridays September Through May beginning at 10:30am in the Smith room. A hiatus is taken in January; February and March are speaker spotlighted meeting. TGC members take turns hosting a light repast after each meeting. If weather permits, members work in our gardens after our meetings. There are few Saturday garden work days that are posted in the Trinity newsletter. Since 2019 an assortment of bulbs, flowering shrubs, flowering plants and flower seeds are planted in Each garden.

Garden club maintains the seasonal flowers surrounding the St Francis fountain within the Bishops garden. A white themed garden is maintained with in the Columbarium garden.

Garden club hosts coffee hour during the Second Sunday of November that spotlights *kindness. The Sunday before Christmas Day a presentation is made to* the parish of a Christmas tree fully decorated with handmade Chrismons. TGC prepares a lavish coffee hour on Palm Sunday, and a self guided tour of the six gardens of Trinity, with refreshments on the first Sunday in May. Garden club donates the potted flowers that decorate the tables at the LOTS Thanksgiving luncheon. A few Sundays a year Garden club cuts, arranges and displays flowers from our church garden as alter flowers. The first Friday of June is dedicated to the repair of our archival Chrismons.

Garden club offers garden related presentations at Wellness Saturdays ranging from healthy cooking demonstrations to square foot gardening.

A "*Cookie"* bank was begun by garden club, that requested package cookies be donated by TGC members to be stored in the refrigerator to be available if no one volunteered to host a coffee hour.

Garden club is a haven for gardening advice, kind friendships and loving service to the church.

Chrismons

Catherine Reed

The Christmas tree is decorated each year by the Garden Club with ornaments with Christian symbols handmade by generations of Trinity parishioners. Special ornaments done in gold silver and white are called "Chrismons", from "Christ's Monogram". The early ones were beaded and the recent ones have been done in needlepoint.

In 2024 we added 8 new Chrismons to the tree, stitched by 6 parishioners:

Javi Bravo-Alegria	Javi Bravo-Alegria	Keith Christianson	Kathryn Laurance
Tony Huffman	Catherine Reed	Susan Gallagher	Susan Gallagher

This was the first year for Keith, Kathryn and Susan to participate - isn't their work beautiful !!

You do not need to be experienced with needlepoint to stitch a Chrismon. The church has canvas, threads, needles and other tools. We ask for a donation of $50 per Chrismon to the church to cover the supplies. There are many designs to choose from, with diagrams of stitch patterns and I can coach you through each step. If you are interested in making a Chrismon for next year's tree, contact Catherine Reed at ccreed@swbell.net or 713-598-6782.

The Listening Post

Theresa McClellan

Blessings,

Every Tuesday from 1 p.m. to 3 p.m., six empty chairs line the sidewalk in front of the Columbarium at Trinity, and visitors, including the homeless, near homeless, students, and area workers, sit and unburden their souls.

This is the Listening Post. Some stop for the free hospitality of fruits, treats, coffee, and water. Some stop for the free-flowing conversation among strangers. Some want prayer. Some want it all as this is their oasis.

All are welcome. The Listening Post Ministry is led by Theresa D. McClellan, who is there every Tuesday and frequented by volunteers Abby Swearengin and Andrea Wilderman and occasionally the Rev. Maria Teresa Bautista-Berrios and the Rev. Brad Sullivan.

We average 20 visitors on light days and more than 40 on extremely busy days. I count visitors by the number of cups I dispense.

I usually provide oranges, bananas, and soft cereal fruit bars since most of our visitors often don't have teeth. We have occasionally been blessed with treat donations from Samantha Rainman at St. Mark's Episcopal School.

If you have a heart for listening to strangers and providing a ministry of presence, if you can offer an empathetic ear to people in pain, and if you can bring a sense of joy to those who are often unseen and unheard, come, join us.

Verger Ministry

Ron Mailloux

"The ministry of the vergers is to help to lead the church in bearing witness in the world to the hospitality of God, by helping the church to be a truly hospitable place, by helping us to worship the Lord our God in dignity, in order, in beauty, and in truth in the church so that we can go forth to witness to that God to the world."

The Most Reverend Michael B. Curry
27th Presiding Bishop of the
Episcopal Church

In much earlier times, the Episcopal processions did not start inside of a church, but started in a public square where people could see and be reminded that it was time to celebrate the Sabbath and spend time worshiping our Lord. The processions went through the streets which often had stray animals or possibly worse, people still celebrating Saturday night. The virge was an important tool which could be used to herd animals, or even rowdy individuals to the side so the procession could move to the church. Today we don't have to deal with much more than stray kids and clergy anymore, but we still support the time- honored Episcopal procession to begin our service, and the often unseen duty of 'helper'.

At Trinity Episcopal Church in Midtown, a verger serves as a kind of Master of Ceremony of the service, and "helper" for the other groups attending to the service. The role starts well before the service and includes supporting these other service groups or ministries as necessary. It is the verger's responsibility to ensure that all the pieces come together in time to begin the service. During the service the verger has responsibilities for marshaling people to their correct places in a timely manner. And finally, a verger is a representative of the service who may often be called upon to interface to people who are new or just unsure about what to do next. Vergers are prepared to greet people and help them feel more comfortable with our church.

This year's Verger Ministry is comprised of four regularly scheduled vergers, Ron Mailloux, Alex Bruton, David Villareal and Christian Bearup, as well as an alternate verger, Steve Lee, who adds to the verger ranks during holiday seasons to ensure coverage of all the services. One of the key focuses during 2023 has been additional verger training in an effort to perform a more consistent verger role for each of the services. As part of this effort, the Verger Customary has been updated and enhanced to include more details of what a verger's responsibilities are and how to perform them. As services continue to evolve, we work to add roles and support responsibilities to ensure our services work smoothly.

At this time, we have sufficient verger staff to meet Trinity's needs, but would certainly like to have others join our group to share in the fulfilling service we perform for our church. If you are interested, please contact me or any one of the other vergers! And have a blessed day!

Volunteer Ministries

SANDWICH MAKERS
Each month volunteers gather at least twice to make sandwiches for this outreach ministry. Donald Hackler sends reminders to volunteers for the meeting on the first Tuesday of the month and Mary Johns keeps track of the needs for the Sunday meetings. We make 100 loaves of bread (1,200 sandwiches) on Tuesday and 20-30 loaves (240-360 sandwiches) at each Sunday session. Additionally, Sheree Thompson places the order for bread and meat for the Tuesday session with the HEB on Alabama. Other supplies are purchased at SAM's CLUB. All are welcome to join.

LAY MINISTERS
Our teams of faithful volunteers who read the lessons, lead the Prayers and serve at the Altar have increased in faithful servers. Their dedication and willingness to serve has added to each service. David Theis schedules and trains those who serve at the 12:30 Jazz Gospel Service.

USHERS AND GREETERS
These teams of volunteers welcome members and guests to each service. Guests are invited to stay for Coffee Hour and to share information that will help us welcome them to Trinity.

Trinity is blessed to have many opportunities to serve and we are grateful for our volunteers.

Youth Ministry

Shelby Ann Bradley

Trinity's youth ministry is for grades 6-12 and offers a fantastic array of activities. The ministry's focus is on education, fellowship, and faith formation. Sunday School meets from 9:30 – 10:15 am in room 210. We use the Episcopal Curriculum for Youth program, which focuses on prayer, Bible study, church history, and teachings of the Episcopal Church. The Episcopal Youth Community (EYC) meets once a month for a social gathering. This year we've gone bowling, swimming, and mini golfing, and participation continues to grow. Faith formation is a vital aspect of religious education and lifelong discipleship for youth. It involves nurturing and developing one's faith, deepening one's spiritual growth, and expanding one's understanding of religious teachings. Trinity's youth ministry is currently in its inaugural year of the *Confirm not Conform* program. Students attend classes during the school year and participate in a service project to prepare them to make a mature public affirmation of their faith, recommit themselves to the responsibilities of their baptism, and receive laying on of hands by a bishop.
